CHALLENGE

WORKSHOP - Nov. 30th

Location: Fluid Coffee Meeting Space - 501 E. 19th Ave., Denver, CO 80203

Time: 8:30am - 10:00 am

Find out how you can take advantage of the **free support services** provided through the **Denver Energy Challenge** and **Denver Water** for both residents and businesses. At this time of year energy bills can increase drastically as the weather gets colder. Let the experts share some tips on how to save energy and money this winter. Over 2800 businesses and residents have gotten involved with the Challenge and you can too!

Businesses will be eligible to receive a FREE Xcel energy audit (after \$200 rebate) just for attending this workshop!

How much will you save?

Please RSVP in advance to reserve your free spot or pay \$5 at the door.

RSVP: <http://www.milehighbiz.org/eventregistration>

(First 12 attendees will receive a FREE cup of coffee.)
